

The impact of your generosity

August 1, 2023 - July 31, 2024

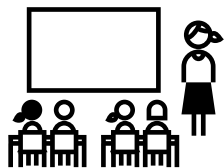

YOUR SUPPORT ALLOWS US TO EXPAND EXPERIENCES FOR YELLOW JACKETS

Perrysburg Schools Foundation is a leader in the promotion, support, and recognition of academic achievement and innovative educational programs by:

- Providing classroom grants district-wide to promote innovation
- Providing funding for educator training & professional development
- Recognizing outstanding teachers
- Sponsoring the National Honor Society
- Promoting community involvement & investment in our schools
- Sponsoring scholarships for graduating seniors

The impact of the PSF grants received has been such a tremendous one. From awarding students funds to help with travel expenses to New York City (2022), video cameras to record performances and reflect (2022), to the purchase of brand new acoustical shell (2023), bringing in Broadway performing artists (2024), and most recently, brand new platform performance risers (2024), all of these purchases have positively improved our program. Additionally, by purchasing new risers for the high school choirs, we were able to gift our platform risers to the HPI classroom. HPI now has performance equipment that directly mimics what each performance actually looks and feels like, in the classroom. Students have been able to travel and take part in experiences that may only come once in a lifetime, and perform on/with professional-grade equipment. We are unbelievably thankful for what PSF has been able to do thanks to the generosity of so many donors, and will continue to do for all of our arts programs.

-Shelvin Burns, Choir Director, Perrysburg High School
